Number 24

CYPRESS COLLEGE CHOIR

70 members of the Cypress Junior College Choir received a standing ovation from Hartnell students and faculty members for their superb 90-minute performance in a jam-packed student lounge Wednesday.

Directed by Thomas Coleman, music-instructor at Cypress, the group was on their second musical tour, which will cover a total of 1,200

miles.

Commencing their tour at Hartnell for the second time, the singers were composed of three groups--"The Chamber Singers", "The Concert Choir" and

"Papa's Lament".

Songs included the Carpenter's "For All We Know", "Age of Aquarius", "California Dreamers", "Oh! Happy Day", and many others.

Audience enthusiasm was direct, especially for the "Papa's Lament". Although amateurs, this lively group combined singing with dancing in a very professional fashion. They performed skits, routines, and delighted the audience by their presentation.

"We've never had a more responsive audience," exclaimed Bill Warne, pres-

ident of the 70 singers. "On behalf of the entire choir I would like to thank the Hartnell ASB for the hospitality, and we are looking forward to your choir's arrival at Cypress."

Other places the singers will perform include Fremont High School, Duell Training Center, the State Capitol, Yuba City College and Grace Cathedral.

Sunset

The sun
Sinking on the ocean waves
The soft blue sky
Over the rippling yellow pedestal

The white surf splashing
Waving good-bye
A seagull's cry
Mourning the death of another day

STUDENTS SPECIAL SERVICES OFFICER RESIGNS

After 7 months at Hartnell, Paul Nava is resigning. The 35-year-old special student services officer is assuming the position of vice-principal at Mountain View High School.

"I regret leaving, but I enjoyed my stay at Hartnell," reminisced Nava. "Being on this campus was an education in itself."

While at Hartnell, Nava was responsible for work-study

students, scholarships, job placements, and federal and state grants. He was also faculty advisor for MECHA.

"I would like to thank the administration and especially Dr. Madsen for their cooperation in releasing my contract. I'm looking forward to my new position, and hope that I can tackle it from an administrative point of view."

ORALES CHICANOS,

QUE TAL?

Have you given thought to the Cultural Revolution around you? Have you looked in the mirror lately and seen the beauty of your brown face? QUE TAL? Before you stands a combination of the Aztec, Maya, Yaqui, Apache blood. Ages and eons of Indian blood. Remove the frito bandito stereo-typed image, see yourself for the human being God made; above all a CHICANO! QUE VIVA CHICANISMO! Its in our power to shape a future; the better future which has eluded our parents and grandparents. Who so bravely fought under Pancho Villa and Emiliano Zapata, we here at Hartnell see our destiny through the power of education; application, self-determination, for the betterment of LA CAUSA, LA FAMILIA. Solitude and sojourn. That's like yesterday. Allow a few minutes for a mental self evaluation of yourself. ORALE! Assimilation is not just 12 letters but one big obstacle in our path. Can you assimilate into the middle class bag and still relate to Grandma? After all didn't our grandparents do their best with Villa and Zapata? Wasn't it for us? There is much to be done, application is also a big word. CHICANO even bigger.

QUE VIVA LA CAUSA!

A CARNAL SPEAKS

"Chicana" is a beautiful word. But it means so very much more to me. "Tu eres Chicana", "PRINCESA DE AZTLAN"! Yes carnalas you are But yet you are so much more than that Carnalitas! "Tu eres amor, inspiracion, dedicacion," "y eres la Reyna de mi corazon"! Carnalas, you are so very "beautiful" yet so very "wonderful"! And beyond comparison with any doubt.

"Oh it's great to have such warm and tender, and sincere Carnalas!" "TO HAVE YOU IS TO HAVE HEAVEN, SO IT IS WE WANT YOU NEAR"! I feel so very proud and with so much pride. I can not help but to tell you "You are down deep inside."

When I sit and talk to mi carnalas, "my love goes on and on, ever warm and ever shining, like a brilliant dawn."

We don't know what we are missing, or what we have until we have left you behind. "For without you our lives are a dark and dreary time but with you will make the roughest climb". "Give us the courage, so we can detour sin, a portion of your faith," "CARNALAS WE WILL FIGHT AND WIN".

Hartnell's baseball team exploded for four runs in the fifth inning and then added insurance runs in the seventh and eighth to demolish the Gavilan Rams 12-5 at the Panther diamond Tuesday. The Panthers broke a three-game losing skid in handing the Rams first Coast Conference defeat.

Hurler Eddie Moreno went eight and two-thirds innings to record the win over previous league leaders Gavilan.

Leading the hitting attack was catcher Mike Kelly who had a perfect 3 for 3 day at the plate and also scored

four runs. Helping Kelly out with timely hitting were Tom Elliott, Larry Shepherd, Cliff Hedberg, Jim Frates and Joe Baxter.

In tennis action Monday, the Hartnell Women's tennis team defeated the visiting San Jose City College team with a score of 5-3.

Handing in victories in their singles matches were Terry Frates, Leslie Babcock, and Kathy Burke. In doubles, the team of Pat Wright and Virginia Wun defeated SJCC's Yvonne Bolinger and Sharon Barton with scores of 6-3, 4-6 and 0-3 to give Hartnell its first team victory this season.
